- ☐ Optional: average score

Are there any extra features you added that are not listed above?

No.

What was the most satisfying part of this project?

My mom plays Wordle every day, so having her play my version.

What is your favorite topic in the course so far?

I've been exposed to all of the stuff so far, but I'm looking forward to using the things from last and the upcoming weeks (SQL, PHP, Node, etc.)
