-

- ☑ The site was tested on a phone.
 - ☑ Site passes mobile friendly test
- Which test did you use? PageSpeed
- Copy screen shot of the results below.

Are there any extra features you added that are not listed above?

I don't believe so.

What site(s) did you check out for design inspiration?

Multiple: <https://weblium.com/blog/best-musician-website-examples/>

What would you add to this project if you had an extra week?

I would clean up the about page, add animations, and get the spacing on everything perfect.
